Class History

In the fall of '49, 53 scared, excited "Fish" organized, electing Catherine Crawford as sponsor, Clarence Reed, president, Jay Ward, vice president, Gwen Matthews, secretary-treasurer, and Hannah Kidd, reporter. We had charge of the concessions at some of the football games (and incidently, we're proud that Jay Ward, Daymond Brock, and Clarence Reed made the A Squad). We celebrated the Xmas season with a big party in the gym, and ended the year with a barbecue at the football stadium.

We entered our Sophomore year, a little older and a little bolder with Don Swadley as sponsor, Jerry Yarbrough as president, Jay Ward, vice president, Lee Wayne Newman, secretary-treasurer, and Roy Miller, reporter. The enrollment for this year decreased. Again we had some concessions and had another successful Xmas party. After a very good time we ended our Sophomore year.

As Juniors, we elected Reva Newsom and John Knight as sponsors, Jerry Yarbrough, president, Hannah Kidd, vice president, Mary Harrison, secretary-treasurer, and Shirley Deets, reporter. We ordered Junior pins very soon, and after they came, we made sure everyone saw them. We not only had charge of some concessions, but we also kept busy by selling tags. We were given a wonderful Xmas party by the Seniors. After Xmas, Mr. Knight left, and we chose Mr. DeSautell as sponsor. He directed our Junior Play. "Strictly Formal," which proved to be a big hit. Then we made plans for the Junior-Senior Banquet, one of the biggest highlights of the year. For our theme, we chose "Stars Over Morocco." We will always remember the wonderful time we had. For our spring party, we went to the Plains Park. Everyone survived the great Battle of the Water Gun, and we returned to Denver City, a tired, but happy lot. As the term of 52 ended, we were already making plans for the long awaited----our Senior Year.

And now, that long awaited is here! Our enrollment is smaller this year, as some of our classmates have moved away, while Cupid's arrows led others to the altar. We elected Jeanne Robinson and Mr. DeSautell as sponsors, with Roy Miller, president, Clarence Reed, vice president, Shirley Deets, secretary-treasurer, and Wanda Williamson, reporter. Our first event of the year was the Halloween Carnival. Our Senior rings arrived much to our delight, and they are prettier than we remembered them to be when we ordered them. This year it was our time to be host, and we honored the Juniors with a Xmas party. After the party we all went carolling and then to the Drive-Inn Theatre, compliments of Mr. Capps. The year is now half over, and we still have much to look forward to--our Senior Play, Junior-Senior Banquet, Senior Trip, and last of all, Graduation. Though we will soon be leaving high school, we will always remember the friends and classmates who made these four years the best of our lives.

Dear Jane,
you are a very cute and sweet girl and I have had lots of fun going with you even if it was off and on. I am sorry that you are going to move because I know you'll miss me a lot. You will (probably) find some just as good to go with as me but I doubt it. Well I got to get my Chem. so. When you are married and live in a truck, order your babies from Sears & Roebuck.

Happy
David.

P.S. I know you won't forget me so I won't ask you to not forget me.

me too

To a nice girl, best wishes
Kenneth

To a very sweet girl and the best of luck to you in the years to come
A friend always
Joel [illegible]

Dear Sis:
I know I can never think of anything as pretty to say as David because I'm not **that** conceited. joke!

I just want to give you one piece of advice - free too. Always try to make people like you - work as hard at that as you would anything else - it will always be worth-while. You may not think that means anything now but it will in later years. Sounds like a sermon doesn't it? Just try is all I ask.

My love always
your big sis -
Earlene

that's the darned truth? says who? says me. not joke either.

so a real good looking
girl, the best of luck
in the many years to come
Rangers

Dear Jane,
Shell I guess this is my last time I'll ever write in your annual. I sure hate to see you move to Abilene. Maybe I won't get lost all by myself next year.
We've really had a bunch of swell times. We've also been in lots of trouble. Maybe someday we'll learn to be good kids and keep everybody from hating us so much. That's supposed to be all of our many boyfriends we've made mad because we were so mean. I shall also remember the times we had our little parties and gotten in trouble over them. Also our first Period study hall. We're really good kids?!
Here's wishing you all the luck, love, and happiness in the world. You deserve it.
Be good!
Love, Hinson

P. S. Remember -- garage, Stagnaro, light bulbs, plowing, our good pick-up, all the allies, and etc. (How could you forget)

H---

Dear Jane,

Dear Jane,
It is sure going to seem funny without you around. I've gotten so used to seeing you that something will be missing when you move. You are one of the sweetest girls I have ever known. You always have a smile for everyone. I hope you make a big success when you move. I hope you will be as popular down there as you are here. I know you won't have any trouble finding you another boy friend as cute as you are. I hope you get to come back & see us. You have always been nice to everyone & I know everyone thinks as much of you as I do. I do wish you were going to be in pep squad with me next year. Excuse the writing. Well I've said all I can say except. I love ya.

Jane Always
